PROFESSIONAL SUMMARY

Recent Information Technology graduate with a strong interest in front-end web development and hands-on experience in software quality assurance. Skilled in building responsive, user-friendly interfaces using HTML, CSS, JavaScript, and React. Familiar with the MERN stack (Express.js, React, Node.js) together with MySQL and passionate about crafting clean, maintainable code and delivering smooth user experiences. Eager to contribute to a modern development team and grow as a front-end developer in a collaborative, agile environment.

WORK EXPERIENCES

Junior Quality Assurance Intern   2024– 2025
Support Zebra

- Performed manual testing of web and mobile apps based on test cases and user stories
- Reported bugs and issues using Asana
- Collaborated with developers in an Agile environment and gained exposure to the software development lifecycle

EDUCATION

Manolo Fortich Nation High School   2018– 2020
ICT – SHS
- Computer Systems Servicing NC II

PHINMA – Cagayan De Oro College   2020– 2025
Web Developer
- WADHWANI Certification

PROJECTS

Reviewer System for College of Engineering and Architecture in PHINMA – Cagayan De Oro College

- Developed a reviewer system for CEA students, enabling them to conveniently study using their smartphones or computers without the need to manually review physical notes.
